

Answer...

Karen Schreiber is on the go with outdoor activities. She can be found most days of the summer either on the golf course, in her garden, or on local walking paths.

Although Karen began working at the Silver Academy this year as a part-time ESL teacher, she is no stranger to our school. She taught 1st-5th grades at the Silver Academy for ten years, which was followed by seventeen years teaching first grade in the Susquehanna Township District. Karen was recognized as the *Wink 104 Teacher of the Year 2009-2010*.

Karen and her husband Mark moved to the Harrisburg area in 1987. They have three children, Emily, Julie and David, and two grandchildren. (You can see Karen at the center of this family photo.)

We are happy to have such a high-energy teacher on our staff at the Silver Academy!
