

**SILVER ACADEMY PARENTS!!
THERE'S FREE MONEY OUT THERE FOR OUR SCHOOL
PROGRAMMING!!!**

Each year the generosity of Giant Foods enables us to fold THOUSANDS of dollars into our school without tapping the resources of our families. How does this work?

1. Please provide the number of the back of your Giant Bonus Card to the office – and bring us the numbers of your friends and family members, too. From Autumn into Spring, every time you scan your card at Giant, we get 1% of your purchase amount! Last year that amounted to \$6,000!

2. PLEASE PLEASE PLEASE consider using Giant gift cards when you shop. We earn 5% of your purchase amounts when you use the cards. Use 'em til they're used up! We have \$25, \$50, and \$100 cards, and they are always available from the office or from Susan Leviton, the "Scrip Lady" at 608-0190. Happy curb service at any time – really. Last year Giant contributed a whopping \$8,000 to our school because so many of our supporters used gift cards to pay for their groceries. Some of our supporters even think ahead and give Giant gift cards at holiday times to those who are typically given a holiday gift. **EVERYONE EATS! THIS IS A GREAT GIFT!!!**

So please, support our school with this passive tzedakah. Call Susan at 608-0190 with any questions and we'll get you started to help us build stronger programs for our children with the funds that come to us directly from this generous company! (trivia fact: We sold around \$110,000 in scrip last year! Let's do even better this year!!)
