Dear Stephen Ministry Leader,

What if you could make a profound difference in the lives of military families by doing what you already do? What if you could have coordinated access to resources dedicated to providing emergency financial aid, free mental health care, and job training and placement services for military members and their families?

You can! The H.E.R.O.E.S. Care Hometown Support Program has teamed up with Give an Hour and the Military Spouse Corporate Career Network (MSCCN) in an unprecedented program of comprehensive support.

Stephen Leaders and Stephen Ministers can help to serve our nation's military families, especially the Reserve Forces and National Guard mobilized for active duty, through the H.E.R.O.E.S. Care Hometown Support Program.

Hundreds of Stephen Leaders and Stephen Ministers have answered the call in the service of those who serve. Hundreds more are needed. As of today, there are over 2500 H.E.R.O.E.S. Care trained Stephen Ministers and Stephen Leaders from 542 Stephen Congregations in 24 states that have stepped up to help our military service members and their families.

I encourage you and other Stephen Leaders and Stephen Ministers to consider attending this upcoming one-day Hometown Support Program training workshop. I believe it will open your eyes to a tremendous opportunity for serving our Lord by caring for and serving military service members and their families in your area.
