

**Because hosting an international exchange student shouldn't be a foreign idea.**

**Start your family's adventure of a lifetime!**

### **Host an Exchange Student**

Make this year the most exciting & enriching ever! Volunteer families are needed to host students, 15 to 18 year old boys and girls, from Germany, China, Brazil, Belgium, Italy, Czech Republic, Japan, Ecuador, South Korea, and several other countries. Families are able to review student applications and choose the boy or girl that best matches their family.

Host families provide: A bed, 3 meals a day as well as a loving environment, friendship and a desire to share American culture. The host family may also choose their own student that best fits into their family. SHARE! Students all speak English, come fully medically insured and with their own spending money for personal expenses. They attend the host family's local high school for a school year or semester.
