Attention 8th graders! You are invited to participate in a very special art project! ☺

We are inviting 8th graders to create sketches for large scale paintings for a permanent installation at EPMS. The theme for the project is **“EPMS is a Global Learning Community”**. What does this theme mean to you? How does being a global community benefit us? What symbols or imagery might represent your thoughts?

- Think BIG and BE CREATIVE!
- Sketch three ideas below and turn into the EPMS office by **Thursday, March 19, 2015!**
- **No late entries will be accepted. Thank you for your participation!**

Top sketches will be selected and a committee of students will paint the panels with Mrs. Brown. Details concerning dates and time frame are forthcoming. Note: You can submit a drawing, even if you cannot serve on the painting committee due to other obligations such as sports, extracurricular activities, etc.

DIRECTIONS: Draw with pencil, pen or thin marker. Color with colored pencils or crayons. Remember these are sketches! Don't take hours to complete your sketches. Just draw your ideas, color and turn it in! ☺ Have fun.

Three empty rectangular boxes with a double-line dark red border, arranged horizontally, intended for students to draw their sketches.
