

Excellence in Etiquette

Etiquette Classes for Boys & Girls Grades K thru 5th

February 10, 2015

We have a great **Before** or **After School Program** we would love to offer this upcoming 2015 - 2016 school year at Elkins Pointe Middle School. Currently, we offer Etiquette and Cooking (non-stove/oven cooking) for Kids at Birmingham Falls and Summit Hill Schools in your area.

Our Classes

Cost: \$45 per month per child. These classes are 30, 45-minutes, or 1 hour; 1- day a week. (You decide which works best for your school). Parents may pay monthly. Classes are "hands-on" where students actively participate in learning etiquette in a fun and exciting way. The food students prepare do not require a stove or oven so a typical classroom space is all that's needed.

Etiquette & Cooking For Kids

Have fun preparing different dishes each week and learn table etiquette.

Cupcake Decorating with Etiquette

Create and decorate cupcakes into many different designs while learning proper manners. A different project each week.

Edible Art & Etiquette
