

American Cancer Society Relay For Life Survivor Registration

Relay For Life of Arnold/Annapolis – May 30 – 31, 2015

The American Cancer Society considers a person a cancer survivor from the moment of diagnosis – no matter what type of cancer, no matter how long the treatment. The Relay For Life movement would like to honor you and your fight against cancer at an upcoming Relay event in your community.

Join your friends, neighbors, and fellow cancer survivors for a celebration of hope! As a cancer survivor, you will be presented with a special T-shirt, as well as take part in a ceremony to commemorate your cancer journey and thank your caregivers for their support during that time.

We encourage you to bring your loved ones to the Relay For Life event listed below.
