February 2016

The New Knights Council #15211 Newsletter

Welcome to our Council's newsletter. We will be sending out this newsletter once a month to help keep all of our brother Knights informed of the latest council news and events. Please take time to read this letter every month to stay informed and take action from these stories to get involved and make a difference to our organization, faith and parish as a whole.

St. Timothy KofC Launches A New Website

Our council has launched its new website containing all the latest news, event information and even council photos. Be sure to bookmark www.kofc-st-timothy.org and visit it often to stay update on the latest events and news.

Knights Social meetings moved to 4th Tuesday of month

Back by popular demand, we will be moving our monthly social meetings back to each 4th Tuesday of the month. The social meetings will start at 7:10pm in Brodnick Hall. Everyone is invited to participate in fellowship, including spouses, children and any man (and family) interested in finding out more about us in a more open, social setting. We will also be working to bring in special quests to speak or be available to socialize, so please keep informed and stop by when you can.

The Holy League Needs Your Support

Holy League is a chance for all men, fathers and sons to come together and pray and spend time with the Lord for 1 hour a month. It is important for future of our faith and our Church that its men continue to take a spiritual lead in their families and communities. The Knights are a founding supporter of this important ministry, so please come and join us at church every fourth Monday of each month. See the website for more details.

Issue No. 02-2016

If God Sends Us, He Also Leads Us

December 2015

Knights sponsor "40 cans for lent" program

For the second year in a row, St. Timothy Knights of Columbus is sponsoring and running the "40 Cans for Lent" program. With this program, the parish is asking that every family bring in at least 40 cans or an equivalent in dry food goods and drop it off at church during this Lenten season. The food will be distributed to local food banks on a weekly basis. In addition, for every 5000lbs of food collected, up to 10,000lbs, the knights will receive a \$100 donation from the KofC Supreme Council to use towards other council activities. Last year over 6000lbs of food was collected and distributed. So please spread the word and help bring in those donations to help those less fortunate during this Holy Lenten Season.

St. Timothy Blood Drive, March 8th

On March 8th, St. Timothy KofC is sponsoring the next Hoxworth blood drive. To help coordinate appointments this year, you can use the signups located in the main hall out of church. They will be taking whole blood and red blood cell donations. Please consider coming and donating. Remember, your donation will go to help save a life right here in our area!

Knights Council Supports New School

The St. Timothy Knights of Columbus council is committed to the continued Catholic religious development and education of our children. To this end, the council has passed a resolution to donate \$2000 a year for the next 5 years to help fund the new St. Timothy's K-8 school to begin construction this year. This council has committed to continue fundraising efforts to help promote and fund Catholic education for the St. Timothy parish. To be apart of this holy effort, join this council today to make a difference.

Help Save The Council Funds!

It's the time of year where we as Brothers commit to submitting our dues for helping to fund out councils projects. If you have not already mailed in your dues, please do so ASAP. This helps save our councils funds to be used for worthy council projects instead of mailing notices.
