If God Sends Us, He Also Leads Us

July 2016

Ushers needed for 5th Sunday in July masses

Ushers are needed for this coming July 30th and 31st masses. These 5th Sunday masses, starting with Saturdays 4:30pm mass are the masses the Knights provide usher services to the congregation and presentation of the gifts. A minimum of four ushers are needed for each mass. This is our chance to show a positive presence to the parish and help attract new members. Please sign up to help at the mass you normally attend. Sign up using the link on the council website.

August council meetings moved back one week

Because of all the activity and commitment needed for the operation of the Boone County Utopian Fair fund raiser, we have moved the monthly August business meeting to August 16th, at 7:30pm, and the social meeting to August 30th also at 7:30pm. Please note these date changes to attend these meetings. Your attendance at our council meetings and participation is critical toward maintaining the success and operation of our council. (This change only effects the August meetings, September's meetings will return to the 2nd and 4th Tuesdays.)

Boone County Utopian Fair Fund Raiser - August 7th - 14th

Your help is needed at the Boone County Utopian Fair! This is our annual major fundraiser. There is something for everybody--grinding crackers, processing vegetables, breeding tenderloins, selling, set-up, tear-down and clean/store equipment. All Knights, spouses and high-school aged children are welcome to help! Please consider signing up for multiple shifts if you can. Please use the link on our web page to signup for a shift.

Besides the specific slots detailed on the signup webpage, we need approximately ten people for an "on-call" basis to process vegetables and meat prep. This work is done in Brodnick hall, usually between 8:30am and noon on an as needed basis. Please contact Hank Teschendorf at (231) 288-5454 if you would like to help.

Council Recorder officer needed

We are in need of a Recorder officer to record and create the meeting minutes from our council meetings. If your interested in assuming this position, please contact Mark Sippel at (859) 547-2191 or at automateme@outlook.com.

St. Timothy Council Knights of Columbus Golf Outing - August 20th

Please join us for the 15th Annual St. Timothy Knights of Columbus Golf Outing. This fund raiser is our second major fund raiser as well as a great opportunity to get outdoors and have an afternoon of golf while helping our cause. Foursomes are needed as well as hole sponsors and door prizes. Please ask business you may frequent if they can donate or sponsor this great event! Sign up to play using the link on our web site.

Once again this year we will have a great day of golf on the beautiful Willows Course at Kenton County Golf Courses in Independence, KY. The event will consist of a 4-Person Scramble. (Volunteers are also needed to register golfers, man special holes and help man the banquet after. If available to help, please contact TJ Mueller at (513) 477-1931.)

The Holy League Is Reborn and Forming Again

For those of you who are already participating in St. Timothy chapter of The Holy League, you may find this article in the National Catholic Register (see council web-site for link to article) both incredibly informing and inspiring. There is a great deal more history behind The Holy League than many may know, starting back in 1571 with St. Pope Pius V. This article provides some wonderful history and prospective, and provides the inspirations and goals of the new Holy League, including some inspirational comment by our own Deacon Dave Profit. For those who have not yet participated, now is the time to standup for what you believe in and exercise your faith. Take inspiration from this article and by joining the St. Timothy chapter of The Holy League, which meets every 4th Monday at church at 7pm.

Charity, let it compels us to action!

As Knights our most compelling principle is "Charity". Through acts of charity we as Knights can serve our fellow man in doing God's work. As Knights, we recognize that our mission, and our faith in God, compels us to action to fulfill this principle. As a united council, we are capable of using our gifts of time and treasure to act charitably to do great things in the name of our Lord. One of the most valued and important of these gifts is our time. We are now upon the most active time of our council year with fundraisers and events. Giving of your time by participating in these council fundraisers and events are what allows us to provide the means for these acts of charity for both the Catholic Church and our order. Please consider volunteering your valuable time in one of our upcoming events to fulfill God's grace in charity and as Knight of Columbus.
