Valor Knows No Gender

2nd Annual Executive Course Golf Tournament

September 18, 2015

1025 Rush Scottsville Rd, Rush NY 14543

Proceeds go to Support Zion House- a transitional home for homeless female veterans in Avon NY.

According to Senator Charles Schumer, there are **over 12,000 homeless veterans in Upstate New York**. Of this number, it is estimated between **10-20% are female**. That's **1200 – 2400** homeless female veterans.

Zion House was the first transitional home for homeless female veterans in New York and the second in the country. All proceeds from this tournament go to support Zion House as we serve our country's female veterans, by offering a safe supportive place to live and work as they get back to independence.
