

# Your New Career Starts Here.

Select From Over 25 Bachelor's Degrees at our Military Preferred Price of \$250 Per Credit Hour.\*

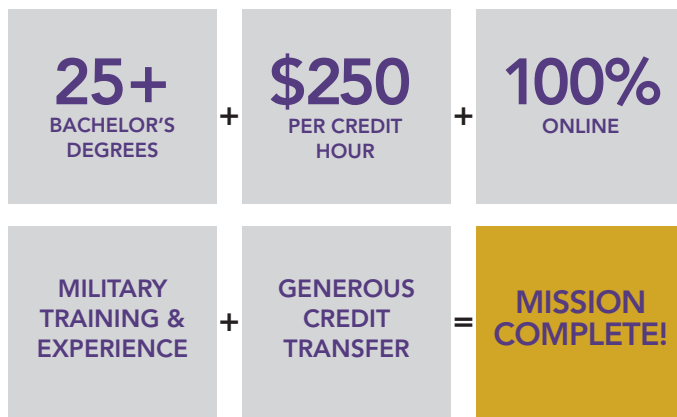

Your experience in the military has taught you a lot, and it will make you a valuable asset to any organization. But experience alone may not be enough to land the civilian position you're seeking. When you combine your military experience with a career-relevant bachelor's degree from Bellevue University, you'll be armed and ready to compete for top jobs in growing industries.

## Put Your Degree Within Your Budget.

To help make earning your degree more affordable, Bellevue University offers a unique combination for active duty military.

Start by choosing one of more than 25 bachelor's degrees at Military Preferred tuition of \$250 per credit hour.\* Combine that with credit for military training and experience, a 100% online accelerated degree format, and one of the most generous credit transfers in the nation, and you'll be on your way to earning your degree quickly and affordably.

## EQUATION FOR SUCCESS FOR ACTIVE DUTY MILITARY

See back for a list of our undergraduate degrees that qualify for Military Preferred pricing. 

\*Active duty members of the United States Military, National Guard, Reserve and Coast Guard who declare an undergraduate major available at the Military Preferred pricing are eligible for a tuition rate of \$250.00 per credit hour for all courses in their undergraduate degree.

## Select a Major That Matters.

The degree you earn is important. It should prepare you not just with knowledge specific to your chosen industry, but also with the workforce-ready skills that employers are looking for such as critical thinking, collaboration, and problem solving. As a Bellevue University student, you will learn these skills, and you'll graduate with the ability to use them confidently in your new career.
