Ladies and Gentlemen:

On Saturday, March 14, 2015, Marin School of the Arts (MSA), Marin County's multiple award-winning arts program within a public high school, presents its annual Showcase event and online auction fundraiser. MSA provides creative youth education for students throughout Bay Area in film, digital arts, dance, creative writing, theater, visual arts and music.

Now proudly in our second decade offering a unique public school experience including comprehensive, challenging and intensive arts education, **we invite you to join us in keeping MSA's celebrated arts program growing by donating to our online auction.**

Working with renowned charity auction specialists [BiddingForGood.com](http://BiddingForGood.com), our auction draws customers from the San Francisco Bay Area and nationally, exposing your business to a broad audience and promoting your active support of our local community.

Thank you for considering donating an item, service or experience for our online auction. A donation form is attached for your convenience to describe the details of your gift. We kindly request forms and donations be returned to MSA no later than January 30, 2014.

Most sincerely,

*Nadine Suto*
