

Calling all Girl Scouts.... Help Us Do a Good Turn!

Our fourth annual Do a Good Turn Weekend is coming up and we want you to help us! To honor the tradition of community service as a cornerstone of our organization, Girl Scouts Carolinas Peaks to Piedmont is asking **ALL** registered Girl Scouts (girls and adults) to do at least one "good turn" during the weekend of **April 10-12, 2015**.

Plant some flowers for a neighbor, clean up a local park as part of Earth Day celebrations, volunteer at the local animal shelter, offer free babysitting for a family, wash your grandparent's car, volunteer with a Habitat for Humanity building project. Whatever you want your project to be, do it!

Do A Good Turn Daily!

Community Service Weekend *April 10-12, 2015*

Projects can be done as a troop or individual activity– just be sure to keep track of what your troop or individual is doing!

A short survey will go out after the weekend so we can capture the results of our community service across the council.
