*Pope Francis is asking the world to be converted of
the globalization of indifference by
contemplating God's love for us, by pondering His Incarnation
and by bearing witness to God*

*This Lent, Pope Francis invites each of us to
Pray in Communion with the Church, Do acts of Charity and Convert Ourselves.*

So often when we see world suffering, we say What Can I Do?

Please join us in spending time before the Blessed Sacrament, and let us not underestimate the power so many voices united in prayer.

Address: 5715 Emerson Street

(Please ring the bell of the wooden door to the far left of the statue as you enter the front of the school. We welcome you at any hour during this 24 hour period as we will be in prayer for this entire time. Sunrise guests and late night guests are welcome.)

Please email ehagar@setonhs.org and we will sign you up for a specific time.
