Help Relieve the Pain of Plantar Fasciitis with the Aircast® AirHeel by DJO

Two million patients are treated for plantar fasciitis annually\(^1\). The Aircast® AirHeel with stabilizers can help improve patient compliance by providing massaging relief for plantar fasciitis. Patients with higher plantar fasciitis pain experience faster relief with the Aircast AirHeel than with a shoe insert\(^2\).

McKesson Advantage Club members can take advantage of a current promotion, buy five (5) Aircast® AirHeel™ with stabilizers in any combination and receive 1 medium Aircast Airheel free. This offer is valid until March 31.
