

## Matt Sandler

Beginning today, please help me welcome a new P.E. coach to our school. I have decided to continue my professional development and ultimately enhance the skills needed to best help our children in a different area. While I am moving out of this position, I will continue to supervise Aftercare. I will also help our new Coach in whatever way I am asked to ensure our students keep moving and practicing the value of good sportsmanship.

Thank you to Mrs. Baer, Rabbi Oxman, the staff, the Board, and all our wonderful parents and students for the opportunity to be a part of the Bobcat Pride!

With optimism for our future,  
Matthew Sandler
