

### MILLER HONORED FOR 20 YEARS COACHING

The Athletic Department would like to recognize Coach **Eddie Miller** for his 20 seasons of coaching our varsity boys' basketball team. Coach Miller has the second longest coaching tenure here at Father Lopez, second only behind our own Dancing Green Wave Coach, Ms. **Kathy Blais**.

Coach Miller is hands-down the most respected boys' basketball coach in Volusia County, if not in all of Central Florida. He has six of his alumni athletes currently playing on the college level at Embry-Riddle Aeronautical University, Mercer University, Daytona State College and St. Michael's College. He has several more former players who are respected basketball coaches on the college and high school level.

We truly appreciate the support Coach Miller's wife Christine, son Gordon and step-daughters Mallory and Kendall have given to him and our basketball program. Coach Miller, thank you for your dedication, guidance and encouragement to our athletes and students. The impact you have made on these young men's lives (and our school) will never be forgotten.
