GRAND OPENING SET  
FOR NOVEMBER 2015

Foothills is on track for its November 2015 premier. Upon completion, it will become the one of a kind shopping, dining, entertainment and community destination that Fort Collins truly desires and deserves.

OPEN DURING  
CONSTRUCTION

Several of our retailers are remaining open during our renovation. You can still enjoy shopping at these great stores:

## THE RENAISSANCE IS UNDER WAY

### Foothills construction updates

The new Sears building fronting College Ave. is completed and has been turned over to Sears for interior construction build-out.

Construction of the Chico's building is underway, with anticipated shell completion by December 2014.

The massive walls for the new state-of-the-art Cinemark Theatre are going up and permits for both the theatre and parking garage have been issued.

## COMING TO FOOTHILLS

We are thrilled to announce the first of an exciting lineup of shops and restaurants coming to the center:

## A GREEN RENOVATION

From January to August 2014, 26,502 tons of demolition waste was diverted from the landfill for recycling. That's equivalent to roughly the amount of wasted generated daily by 12,101,370 people.
