

Starting March 2nd, we are offering a cold lunch alternative that replaces the hot entree of the meal. Your child is still served all the side dishes, but the main dish will be a cold item. Cold lunch alternatives are offered Monday through Thursday and consist of the following:

Monday - Chicken Caesar Wrap;
Tuesday - Turkey & Turkey Ham Sub;
Wednesday - Turkey & Cheese Sandwich;
Thursday - Turkey Cold Cut Sub

Changes to the order form:

There is now a *separate column* to select the **cold lunch alternative**.

As always, if you order a **regular meal**, please note this with an "X" (no check marks) on your order form, a "V" for the **vegetarian** and a "G" for the **gluten free** option. Please mark the days when your child wants to order milk or an extra helping in the specified columns.

Please remember:

Payment is due at the time you place your order and must be submitted before the start of the new month. If your child has an outstanding balance of \$50.00 or more for hot lunch or \$20.00 for milk only, we will not be able to accept a new lunch order or serve your child milk, until the balance is paid in full. Payment for the new order is still due.

Single servings of milk are available to ALL students for \$0.30. If your child drinks milk on a daily basis, please order in advance on the order form. If your child only drinks milk occasionally, no order is required. Please ensure to submit payment for the milk by the end of the month.

If you do not want your child to be served milk at school, please contact us via email to let us know.

You can pay your lunch balance in cash, by check (made out to TCGIS) or electronically using Revtrak following this

link: <https://germanschoolmn.revtrak.net/tek9.asp?pg=products&grp=2>

Please contact us if you need guidance in setting up your Revtrak account. We are happy to help.

Policy for missed lunches

If you order a lunch that your child for any reason cannot pick up, your account will still be charged for the cost of that lunch. The ordered lunch may be served to another child in the same family for no additional cost, but please notify us (lunch@tcgis.org or [651-492-7106](tel:651-492-7106)) as soon as possible if you would like to utilize this option. We understand the down side to this policy, but unfortunately TCGIS cannot absorb the cost of lunches that are not picked up. We regret any inconvenience this causes. Thank you for your understanding.

Forgotten Lunchbox

If a student who did not order hot lunch forgets to bring lunch, TCGIS will make every effort to ensure the student has something to eat. When possible, the school will notify the student's parents so they can arrange to bring a lunch to school. If TCGIS serves the student a hot lunch, parents will be charged \$3.60 for the hot lunch.

Please don't hesitate to email us with questions about menu options, quality of lunches, or service. We are happy to answer these at lunch@tcgis.org.

Best wishes,
Alex & Maja
