REMINDER - February PTO Meeting – February 10 – TCGIS Room 100

The February PTO meeting will focus briefly on regular PTO business, then turn to a discussion format. Three discussion topics have already been submitted by parents.

The first is a set of proposals developed by a group of parents interested in strengthening community and parental involvement at TCGIS (see link [HERE](#)). The proposals have been submitted to the TCGIS School Board for consideration; the requested change to the Board's bylaws to create two new ex-officio non-voting Board positions has been referred to the Board's Governance Committee.

The second concerns MCA testing and the commitment to immersion education at TCGIS. An email from a TCGIS parent to the Board, administration, and PTO can be found [HERE](#).

A third requested topic for discussion is busing at TCGIS, which will also be discussed at a community meeting this evening at 5:30, just prior to the School Board meeting.

If you cannot attend the February PTO meeting but would like to provide comment on the topics above, or any other matter, please send your thoughts to the PTO gmail box (TCGISPTO@gmail.com) so your voice can be heard.
