Group#1

1. Mrs. Horl Sary (Selling Sugar Cane- Juice and snack)

I and my daughter are selling sugar cane and snack food such as candy, crackers etc; my daughter is running a business for me now at this moment. I am busy with my son and I am trying to look after him while he just married to new family. My shop is running well. I thank to Microloan for Mother to provide me the second loan. Without the assistant from your organization, I could not do to sustain my family. This month, my business is doing great and I could some money so that I can feed my family and repay the loan back. MfM is doing great work to help the poor family in Cambodia.

2. Mrs. Proeung Pech (Selling ices and grocery)

I was happy to see Mr. Leang visit my booth today this evening, I am selling ice ball and snack, I earned some money to feed my family and I could repay back my loan for this month. I love MfM, that this NGO is helping my family to change from bad to good, from nothing (poverty) to earn some money because of the loan form MfM.. I am eager to see this MfM is expanding more work and its program in my rural area. Mr. Lea g is a great man, stay close with me and taught me about the save principle. I thank you for your team to provide the loan to me!

3. Mrs. Kol Nget (Frying and making Chakkvay-Chinese cake)

Everyday morning, I woke up at 4:00 am to prepare the powder and to make Chinese -cake. I was happy to see Mr. Leang visited me during I was making the cake. This month, I am doing fine and I could earn and made some profit of the money to feed my kids so that they can go to school and bought some books for them. Mr. Leang came in the early morning at 5:00 am(still dark) to take photos with me at my home! Thank you for your great work to support for my family. I was very happy to get a second loan from MfM. Without MfM in my village, I could not run my small business. I love MfM in my village. You are doing a wonderful work to help the poor family such as mine!

We have a group meeting with mothers at in our SFRD office today on January 31, 2015
