

Please Help Us Reach Our Fundraising Goal!

Thank you to all who donated to our Annual Fundraiser at the beginning of the school year. We are trying to reach our goal of \$19,000 - we still need to raise \$4,300 before June 1. One of the main beneficiaries of your dollars is to provide grants to our teachers, clubs, teams, and community to enhance the experiences of our students. Following are some of this year's approved grants:

EHS Library upgrades, computer mice for Math, Science Lab Equipment, Seattle Shakespeare Company performance for 9th Grade Humanities, Surface Pro 3 Tablets for Counseling and others, totaling over \$19,000.

In addition, EHS PTSA funds Math Lab, scholarships, communication, staff-student-volunteer appreciation, emergency preparedness, and senior send-off. In order to continue to support the activities in our building and enhance the opportunities for our students and staff, we need to meet our fundraising goal. For those who were unable to participate in the fall (or if you would like to help out again), we hope you will make a donation today. Your **tax deductible** donation will definitely make an impact in your student's education. Also, with tax season approaching, please check your donation records to see if they have been maximized through corporate matching. Submitting your donation records to your company's matching program can double your contribution to EHS! (Sign up for corporate matching through your employer and complete the necessary forms. EHS PTSA will not be able to fulfill this requirement for you.) For more information on corporate matching and a list of participating companies, go to:

<http://ehsptsa.org/Page/Fundraising/Corporate%20Matching%20Program>

Contributions to our Annual Fundraiser can be made online at our PTSA website by visiting,

<https://ehsptsa.ourschoolpages.com/Packet/Fundraising/SignInPacketPage/0>

OR checks payable to EHS PTSA can be sent to the main office at Eastlake.

Questions? Contact Marisa Lee or Pam Lim at fundraising@ehsptsa.org . Thank you for your continued support of EHS PTSA.
