Parent's Email: _____

Attendance: Dancers are allowed to miss two rehearsals. Choreographers can remove you from the routine without any reimbursement or refund after the third absence. Participation in this routine could vary based on what choreography you are in attendance to learn.

Cost: Payment of cash or check payable to SBS **MUST ACCOMPANY** a registration form at the time of audition. The \$150.00 charge covers repertory classes and a costume. Additional accessories will be provided on your own.

You are not able to change your mind after the results have been posted because choosing to do so could affect another participant's chances of being selected for that routine.

You will not be able to audition without payment or a signed Audition Registration Form from a parent or guardian. If you have more than one child auditioning, a separate Audition Registration form and payment is required.

The audition results will be posted on the studio lobby board by audition number on Monday, March 2nd. If your child is not selected we will reimburse your payment in the form it was paid.
