

*Our services are free to participants and their families and are made possible through the generous support of others, like you. Volunteer your time to help with:*

- **Monthly Workshops/Educational Programs** ~ Be the first friendly face that participants see as they come to attend one of our monthly workshops or educational programs. This includes: helping set up for the workshop (arrive 20 minutes prior), greet and sign-in all attendees and helping clean up after the workshop is over.
