

Dear Student:

I would like to thank you for your interest in attending the *Winter 2015 My Campus* event. The *My Campus* event takes place every quarter and is hosted by Loma Linda University Community-Academic Partners in Service (CAPS) office. The main purpose for this event is to expose minority high school students to the health professions in hopes that it will increase the representation of minorities in the field. In order to achieve this, CAPS collaborates with the eight health professional schools within Loma Linda University to plan interactive activities that will give you a better understanding of what the profession is about. These events are particularly unique because not only do you have the opportunity to engage in activities that will make you more familiar with the health professions offered at Loma Linda University, but you will also have the opportunity to personally engage through one on one interaction with Loma Linda University students. This offers youth the opportunity to hear about other health professions besides the ones highlighted during the event and also gives you a practical information and experience of what it is like to be a student pursuing the health profession.

On February 22, 2015 *My Campus* will be held at Loma Linda University Drayson Center (25040 Stewart Street, Loma Linda CA 92350) from 12:30pm-6:30pm. Youth accepted to participate in the event will have the opportunity to engage in activities that will increase their knowledge of **Pharmacy**, **Nursing and Behavioral Health**. Students will also engage with Loma Linda University students to learn about different health career options such as Medicine, Dentistry, Public Health, & Allied Health.

In order for students to be accepted;

- Applications must be received by February 17th (midnight). This is a first come first serve event for the first 60 people, so we strongly advise applicants to send in applications ASAP.
- Applications can be e-mailed to <u>kmsanders@llu.edu</u> or faxed to (909) 558-7145.
- Application received after February 17th (midnight) will NOT be accepted.
- On the day of event parent/guardian must be present to sign waiver to release student to Loma Linda University.
- Dress for this event is business casual. No jeans. No t-shirts.

If you have and questions about the event, please contact Keshia Sanders.

We look forward to your participation!

Sincerely,

Keshia M. Sanders, My Campus Coordinator Community Academic Partners in Service (LLU) (909) 651-5011 kmsanders@llu.edu
