

# MARCH 2015

**John Jensen**

**John Jensen is the unofficial mayor of the YMCA, meeting and greeting with everyone he comes in contact with.**

**During early morning Bodyump he is the class clown, cheerleader and motivator all rolled into one. Bodyump is so much harder and almost boring on the rare occasion John isn't there to keep everyone fired up and pushing through.**

**He is the type of person that always makes people are him smile and feel better after being around him.**

**Thanks John!**
