

# Riverbend Environmental Education Center

*Growing Greener Children*

## 2014 In Review

*Proudly serving nearly 19,000 individuals for over forty years!*

Since 1974, Riverbend Environmental Education Center has been enriching the lives of children and families through engaging environmental education. Our mission is to teach environmental principles to children in Southeastern Pennsylvania through a direct connection with nature, inspiring respect for our natural world and action as aware, responsible and caring citizens.
