Adult Station Trapper	<input type="checkbox"/>
Adult Station Scorer	<input type="checkbox"/>

This is the Istrouma Area Council's annual opportunity for youth to compete in a sporting clay shoot at the Avondale Scout Reservation. This event will start in the morning with a continental breakfast followed by a mandatory safety briefing for all and then off to the course. Lunch will also be served. There will be an awards ceremony to acknowledge our top shooters and participants at the Dining Hall later that afternoon. Upon completion of the event, youth participants will be given the opportunity to enjoy a Fun Shoot as time allows.

This event is open to all registered Boy Scouts and Venturers. The course will consist of multiple clay shooting stations set throughout the Camp Avondale area. This will be a team event. Teams will consist of four participants. There will be a NRA certified shotgun instructor traveling with each team to every station.

Shotguns, ammunition, targets, breakfast, lunch, awards, and campsites are all included for those who pre-register. The pre-registration deadline is March 2, 2015 by the close of the business day at the IAC Scout Office, 5:30p.m. You can come up for the day or camp for the weekend. Fees cover a campsite for participants for the weekend as well.

Fees for the youth participants are \$40.00 per person if registered by March 2, 2015. Fees for all participants from March 3, 2015 through the final deadline date of March 20, 2015 will incur a \$10.00 late fee. Spectators, who are not shooters, are invited to come and show support for their favorite team/teams. A Spectator's Fee of \$15.00 per person will cover the cost of your meals and camping during the event.

During this years Youth Sporting Clays Classic, accompanying adult scouts will have an opportunity to not only walk the course with your team(s) but also shoot the course. Adults who wish to shoot the course are subject to the same event rules and regulations. The fee for the "Adult Walk" is \$40 per person which will cover meals for the day and the cost of ammunition and clay targets.

NO PERSONAL FIREARMS ALLOWED!!!

We are very excited to be able to offer this annual event and give our youth a fun, safe, and memorable shooting experience here at the Avondale Scout Reservation. Come check out the fun, support your youth, volunteer your expertise, or all of the above!
