

## Message from the Oklahoma Grassroots Project:

We have access to Oklahoma County GOP precinct lists in excel format. Please order one for your precinct. Look through it for the people you know and ask them to come to the precinct meetings and run for delegate to the county convention. Also, to support you for Precinct Chair. Chair and Vice Chair are both on the County Committee that runs the County. Don't be bashful. It will be fun!

For the location for your House District meeting where your precinct meeting will be, check here:

We plan to get precinct meetings going after the official meetings. To get your precinct list, send an email with your precinct number to [info@OKGrassrootsProject.com](mailto:info@OKGrassrootsProject.com).
