The Reception will be hosted by
**the Consul General of France, Philippe Létrilliart, In the presence of
Miles Young, President of Friends of Hermione Lafayette in America**

The theme of the reception is the Lafayette's family motto: "why not?"

The reception celebrates democracy, heritage, and the indomitable spirit that inspired young Lafayette to board the Hermione in 1780 and sail to General Washington's aid in America's fight for freedom.

For Miles Young, President of Friends of Hermione-Lafayette in America and Worldwide Chairman and CEO of Ogilvy & Mather, Hermione Voyage 2015 celebrates the spirit of the Marquis de Lafayette, teen hero of the American Revolution and French Founding Father of the United States."
