

Mothers

hold their children's
hands for a short while,
but their hearts forever.

"Blessed are the ears that eagerly listen for the breath of the divine whisper, and do not pay attention to the many whisperings of the world."

Thomas a Kempis

Dear Gail,

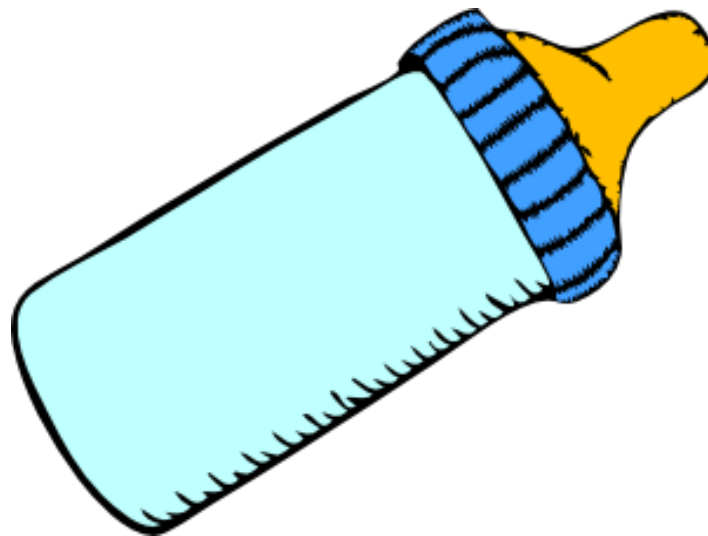

Children are a gift from God

Children are a gift from God. Mother's Day is celebrated on May 10th. What a joy it is for us to know that the work we do saves babies. What a blessing it is to understand that we are all God's children. Psalm 46:10 instructs us to "be still and know that I am God." Take time, claim time for God this day. Stop moving, stop talking, stop listening to the whispers of the world that want to trap us in a whirlwind of activity.

Respectfully,
Gail Gardner
