

Proverbs 23:24 The father of a righteous man has great joy; he who has a wise son delights in him.

Dear Gail,

With Father's Day coming we want to say that Fathers are welcome. What a joy it is for us to have Dads attend our classes. Whether it is childbirth education or parenting classes, having Dad involved pays huge dividends.

Exodus 20:12 - "Honor your father and your mother so that you may live long in the land the Lord your God is giving you."

"The righteous man is the one who lives for the next generation."
Dietrich Bonhoeffer

June 19, 1865 is considered the date when the last slaves in America were freed. The Hope Center has invited us to be a presence at this event which serves as a reminder of the triumph of the human spirit over the cruelty of slavery. It honors those African-Americans ancestors who survived the inhumane institution of bondage.

Today we face issues that dishonor life. This past Saturday we were privileged to attend a conference presented by the Pregnancy Resource center of the Monadnock Region. Mike Spencer from the Life Training Institute gave a three hour pro-life apologetics workshop. He pointed out that pro-life advocates contend that elective abortion unjustly takes the life of a defenseless human being. The simple question: Is the unborn a member of the human family? Many people today reject or are indifferent to the pro-life view. In the training we learned how to present the pro-life position in a compelling way. "Making the Case for Life" helped to simplify the debate

by focusing on two crucial questions: What are the preborn? and, What makes humans valuable? Abortion is the most pressing moral issue of our time. Mike Spencer is a gifted and much sought after communicator who brought a compassionate heart to an often emotional and divisive issue.
