

Dear Members,

We're heading into the full swing of 2015 and are another month closer to spring. I hope you are all managing to stay warm and have had a successful start to the year.

This month, we are proud to announce our new 2015 CUP Fellows. This year's class of 25 highly accomplished diverse men and women represent the next generation of leaders in the financial services, legal, media & entertainment, digital & technology, nonprofit, and public sectors. Among their myriad of accomplishments, this year's CUP Fellows have worked internationally, founded their own companies, and advised world leaders and heads of state – just to name a few.

The CUP Fellows Program kicked off this year's program with a networking reception for the incoming class and CUP Fellows Alumni on February 20th, followed by an intensive day-long retreat on February 21st. We look forward to working with them over the next year and will continue to update you on their progress throughout the fellowship. You can learn more about this year's CUP Fellows [here](#).

We look forward to working with them to build on their successes and become tomorrow's leaders.

Please join me in giving this year's CUP Fellows a warm welcome to the CUP family!

Best,
Brennon
