## The Summer Theatre Workshop: Summer Stock '15

Monday, August 17 - Friday, August 28, 2015

For current 4<sup>th</sup>-8<sup>th</sup> graders

This two week theater program is open to current 4<sup>th</sup>-8<sup>th</sup> graders (5<sup>th</sup>-9<sup>th</sup> grade in September) and will run from 9:30 until 5pm, Monday through Friday, culminating with a performance on Friday, August 28 at 3:00pm for family and friends. The cost for the program will be \$600 for the two week period which includes a t-shirt and daily snacks.

As was the case last year, the program will be divided into a few parts:

- During week one, we will develop monologues for students to present at auditions that vary from light and humorous to deep and emotional.
- During the afternoons of both weeks, we will be working on the production of a FULL, one hour musical, complete with singing, acting and dancing
- During week one, we will attend a matinee performance of a Broadway show
- During the mornings of week two, we will develop productions of song and dance numbers that are not in our full musical, to accompany its performance on Friday, August 28

As mentioned above, we will also be taking our actors/actresses to see a Broadway production on Wednesday, August 20. The show is TBD based off of ticket availability. The cost for the show will be separate from the program tuition and will be announced when we determine which show we will be attending. [If the pricing works out, I would like us to make a full day of it and see two performances, a matinee of one show and an evening of a second.] Once again, this is in the working phase. Finally, we will be in need of chaperones to accompany us on the trip. Stay tuned for more details about the show.

Since space is limited, we encourage enrollment as soon as possible. Please complete the tear off below and return it to the Gottesman Academy with the deposit payment of \$300, written to the Gottesman Academy. The balance of \$300 will be due by June 30.
