Betco® Corporation's Fred Corder, Regional Manager to Retire

Toledo, OH – February 26, 2015 - Betco® announces the retirement of Fred Corder. After 17 years of supporting Betco and help grow both the Northern and Southern Sales Divisions, Fred is set to retire May 1st 2015. Fred is looking forward to relaxing and working on his passion to assist those in need of a recovery program while incarcerated.

Betco will truly miss Fred; we wish him the best on all of his future endeavors.

It is with great excitement that we announce our newest RM – Paul Lewandowski. Paul will be assuming Fred Corder's region, reporting to Mike Henry. Paul is currently Betco's equipment product manager; Paul has transitioned successfully in several previous positions at Betco and will no doubt do the same in the RM position.

By listening to today's needs, Betco sets new standards in Cleaning Innovations That Matter. Betco engineers innovative cleaning programs, products and equipment sold through distribution partners internationally.
