WINNING EVENTS THAT MEAN BUSINESS

Click! Our members were treated
to an impromptu photography
lesson at our January After Hours
event hosted by Meagan Musson of
Honeysuckle Studios, another new
business in Belfair. Meagan leans
into this group photo from the right,
seconds after she placed the group
for the perfect shot. Thank you,
Meagan!

Matthew
Blegen, New
Executive Director
of the Bremerton
Symphony treated
our members to
a very unique
and enlightening
presentation, "How the Arts Can
Improve Your Bottom Line" at our
January luncheon at the Theler
Community
Center.
Matthew has
done extensive
doctoral research
on how arts participation can
improve economic development,
especially in rural communities.
Special thanks to Sage Book Store in
Shelton for sponsoring our luncheon.
