Alicia A. Barnes, DO, MPH	197 (30.4%)	

*\* A majority vote (>50%) is necessary in a three way contest. If a majority does not exist after tallying all first-choice votes, voters' second-choice votes for the candidate with the least amount of first-choice votes are tallied and added to the remaining candidates' tallies. This follows the procedure outlined for "Preferential Voting" in The Standard Code of Parliamentary Procedure by Alice Sturgis.*
