

Department of Public Works & Parks

It's alternate-side for good reason

Alternate-side parking isn't just about street sweeping. Township officials remind everyone, when you're asked to move your car for the Department of Public Works, there are multiple reasons, including (but not limited to):

- Water main and curb box repair
- Street striping and traffic sign maintenance
- Snow plowing and removal
- Pot hole repair
- Tree and stump removal
- Catch basin cleaning
- Sewer maintenance
- And yes, street sweeping

Parking ordinances that regulate alternate-side parking are enforced year-round. Please heed the ordinances throughout the year.

Snow Plowing Note: Byrd Avenue has been added to the list of streets restricted during snow emergencies. If your car is parked on Byrd Avenue during a snow emergency, it could be towed away by police.
