TO: School Board

FROM: Dr. Susan Pingitore, Chief Financial Officer/CSBO

January 27, 2015

Overview & Background

Each January the School Board receives a copy of the Budget Calendar for the next school year. The Board then provides authorization to move forward with the preparation of the budget.

The [Budget Calendar](#) is presented at this time for consideration. The Calendar aligns with staff planning and decision making that will need to occur over the coming months.

Recommendation:

The School Board is asked to approve the resolution directing preparation of the budget for the 2015-2016 school year.
