What: 30 Year Anniversary ***“Our Lanterman Act Entitlement Moment”***

Where: The “Traffic Circle” around the rose garden and fountain, across
from the Capitol Building West Steps. (We’ll be facing the California
Supreme Court and Library - facing the Stanley Mosk Statue.)

When: 9 am to 10 am, March 10, 2015

Who Should Attend: All Advocates! Just being here with others in
appreciation of this important moment is worth it. Several advocates will
visit their legislators after the rally, please make time to meet with your
representatives.

*“It is through the IPP procedure that the right the Act grants to each
developmentally disabled person and the obligation it imposes on the state are
implemented; through it, the developmentally disabled person on an individual basis
receives, as an entitlement, services that enable him to live a more independent and
productive life in the community.” **Stanley Mosk, California Supreme Court***
