"I have always been distressed at the lot of those who are victims of various kinds of human trafficking...Let us not look the other way. There is greater complicity than we think. The issue involves everyone!"— Pope Francis, Evangelii Gaudium, Nov., 2013

The program will feature William Rivera, Director of Office of Multicultural Affairs and Immigration Practice for the Connecticut Department of Children and Families, and Alicia Kinsman, Managing Attorney for the legal immigration program at the International Institute of Connecticut. Mr. Rivera spearheaded the creation of DCF's human trafficking response system and currently co-leads the human trafficking response operations for the department. Ms. Kinsman provides legal representation in immigration matters to victims of trafficking and other crimes, offers immigration law training to pro bono attorneys, volunteers, and law enforcement, and speaks around the state to raise awareness of the issue of humanitarian relief for foreign born victims of crimes.
