

February 2015

This letter is to confirm that the Langley Pos-Abilities Society is hosting a fund raising Event on Saturday, Apr 11, 2015 at the Artful Dodger Pub. The purpose of this event is to raise funds to assist the Society in our goals while educating attendees about disabilities and the challenges faced by people living with disabilities.

The Langley Pos-Abilities Society was established to help residents of Langley with disabilities who do not qualify for government or private assistance or those who are unaware of the programs offered. It is our goal to help to educate and act as a bridge to these programs as well as providing assistive devices which improve the quality of life for residents of Langley with disabilities.

We are a non-profit, volunteer supported agency that helps improve the quality of life for residents of Langley with disabilities, including those living with mobility issues, hearing loss, blindness, plus many other conditions requiring assistive devices.

The Langley Pos-Abilities Society is very grateful for any support such as auction items or monetary donations that will enable us make this event successful so that we may continue to assist residents of Langley who are disabled and in need.

Thank you for your generosity in supporting this event. If you should have any questions or require additional information please do not hesitate to contact me at the number listed below.

P.S. Please let us know if you would like a poster for this event to display in your place of business.

Sincerely,

*Zosia Ettenberg*
