Subject: You Really Can Kick Your Cravings Forever

Dear Fellow Cravings Partner,

Did you know that **a seemingly harmless craving for a favourite food or drink could be sabotaging your physical and mental health?**

It's easy to think that these foods and drinks are just HELPING us to get through the day, but they are, in fact, harming us. Our bodies become reliant upon the same foods that we depend on to give us energy. They no longer work, and instead require you to consume more for a fraction of the effect.

Let's take a look:

Cravings for . . .

- beer, hard liquor
- artificial sweeteners
- coffee
- bread, pasta
- chocolate
- cheese, butter
