Online Survey Software for Online Business

30 Day Free Trial Account!

One Minute Poll is your "Best of Class" online survey creation, response collection and real-time response analysis service.

- Use the survey wizard to quickly and easily create your professional looking surveys
- Publish your survey to your website or host it directly from the One Minute Poll website.
- View your responses graphically in real time using the powerful analysis tools.

All you need is your web browser. There is nothing to download, nothing to install, no maintenance and no administration.

Fully Loaded

One Minute Poll comes fully loaded with all the powerful features you would expect. Here are some of the most popular...

<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Multiple questions types. <input checked="" type="checkbox"/> Mandatory question enforcement. <input checked="" type="checkbox"/> Modifiable look and feel. 	<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Summarized view of your responses. <input checked="" type="checkbox"/> Powerful text analysis tool breaks the text responses down into common used words and phrases so you can find exactly what you are looking for. <input checked="" type="checkbox"/> Search engine so you can search across all responses using a defined filter (e.g. show me all the clients between the age of 30-45 who are to buy a car in the next 6 months).
