

SUCCESS

Sitting on my desk at 2 am listening to Lana Del Rey, blue jean, summertime sadness, young and beautiful, and so on, many thoughts are passing from my mind.

NIGHT OWL, LANA DEL REY A GREAT SINGER - TURNING NOSTALGIC

I don't know the reason why I turn to feel nostalgic when I hear her songs; her voice takes me back to the times when I was much younger.

BEING A KID, LIVING WITHOUT RESPONSIBILITIES, PLAYING IN IMAGINARY WORLDS

When I was a kid, I thought success was easy, and I was imagining myself being a success till I reach the age of 21... as time flies really fast but

Success definitely was not a word to define my life at the age of 21.

My next 'TARGET 'was that by the time I would get 30, I would be a success.

Possibly, it is because we human beings like to comfort ourselves that everything will run smoothly, even if nothing seems to get in alignment with our inner thinking and actual life.
