**Client Testimonials**

Your e-guide saved me from spending hundreds of dollars on camping equipment I didn't need. It also guided me through every step of my camping trip, so I knew what to bring and do. I would have been lost without the advice. I can't thank you enough!

**Maria Morais, Ontario, Canada**

I think the service you provide is wonderful, especially for the novice camper.

If I had not found your site, I doubt my daughter would have had such a successful and wonderful experience. Thanks again

Dear Fellow Camper,

Are you the sort of person who uses a list to get ready? Do you look for tips and advice to know what to expect?

And you have questions like these -- **What gear do I need to get? What food should I bring? How do I cook the food? What kind of wild animals could I run into? How do I pack? What sort of activities can I do while camping? How do I start a campfire?**

Even if you didn't ask those questions, you the type that still wants the answers anyway.

Well, if th **↓ Click Link Below ↓** few smart people who take the steps to
