How To Write Every Kind of Letter Like A Pro

Shaun Fawcett, M.B.A.

If you need to write a business or personal letter, this guide was created to help you get back on track. Using this guide, you can start at a blank screen or empty page again when you need to write a letter.

This comprehensive letter-writing "how-to" style guide includes over 100 full length, real-life letter templates for both business and personal use. Research over a period of years confirms that the guide covers every letter ever written or requested.

The Letter Writing Kit is a completely unique and comprehensive letter writing toolkit that will help you write letters with confidence. It combines a letter writing style guide with a collection of pointers WITH more than 100 real-life letter templates that can be downloaded and used in any word processor. The letter templates in this kit are the result of five years of research into the actual letters that are most often searched for online, and are the most common letters ever written or requested.
