# "The Ultimate Link Building Dossier"

Here's How To Generate More Backlinks & Improve Your Search Engine Rankings...

*"Having the ability to place text links on tens of thousands of independent websites and on over 4 million individual pages at the click of a button, I've learned a thing or two about how links impact search engine rankings - now I want to show YOU everything I've learned so you too can see real search engine rankings and website analytics the way they should be..." ~ Duncan Carver*

Dear Friend,

I know your time is precious and I don't want to waste it so I'm going to just cut right to the chase and let you know exactly how I can help improve your search engine marketing plan. Here's the truth... if you want better organic search engine rankings and more "no cost" visitors to your website, then you need to focus on generating more incoming links to your website.

## Here's The Reason Why...

- The more incoming links you can obtain...
- The better the quality of those links...
- The better structured those links are...
- The more diverse those links are (coming
- The longer those links are in place (the m
