

Double Life Dog Diet

Are YOU KILLING Your Dog?

In the next few pages, I'm going to tell you the truth about dogs...

About:

- Why they get sick
- Why they visit the vet
- And about why **most dogs** die young

You'll get big "**Oh God!**" moments along the way...

This isn't easy to tell you. But if you love your dog you have to *educate yourself* about this...

So your pet doesn't die young... Like so many dogs do, all over the world...

How did I learn the mistakes that kill dogs early?

I learned the **hard way**. Through the loss of dogs of my own...

My Story...

My name is Mary. I'm 67 years old.
