**RE: Reading People Like A Book**

Dear Friend,

Do you know what all of the most successful people in the world have in common?

That **one** factor that separates the leaders from the followers?

It's the ability to get messages across clearly and effectively.

Just look at President Obama and Mahatma Gandhi...

They both possess unique leadership skills that allow them to communicate with the masses of their time.  
One of their most special qualities is their ability to get their messages across to their audiences effectively
